Brand IQ

Billboard- Wet Nose Animal Rescue Centre N1 Botha Ave

Hereby Wet Nose Animal Rescue Centre would like to thank Brand IQ for supporting our Adoption campaign. The outdoor advertising space that brand IQ sponsors is surely giving Wet Nose Animal Rescue Centre good exposure. We have so much positive responses and people contacting us after seeing our Billboard. The sms donate line is also picking up due to the billboard- especially on the days that there are delays on the freeway.

Once again thank you for being part of our Adoption campaign.

Regards & Blessings
